## Village Board Meeting

**Monday, June 11, 2018 @ 6:00 pm.**

The Village Board members will be discussing the possibility of approving an 18-21 unit apartment building being built on the 900 block of Superior Avenue, which is currently a parking lot.

Many residents would agree that there may be a shortage of rental apartments in Oostburg; however, there are some mixed feelings with the possibility of using potential business property for an apartment complex.

If this is a concern to you, please attend this meeting to learn more and also have a chance to ask your questions. Your attendance may help indicate to the Village Board the importance of their decision in making sure this would be best for the future of both Oostburg residents and local businesses.

Hope to see you there!

## UPCOMING EVENTS TO BE WATCHING FOR:

### VILLAGE WIDE RUMMAGE SALE—AUGUST 11

Local residents are planning Oostburg's very first Village Wide Rummage Sale to be held the same weekend, however opposite years, as AugustFest, which means it will be held this year.

Final details are still pending, but if you would like your business to be included, please email Jeremy Borth at [jeremy.borth@yahoo.com](mailto:jeremy.borth@yahoo.com)

Be creative; maybe you want to participate by having a sidewalk sale or perhaps run a special for the day. Please let Jeremy know so that he can advertise it for you and get you added to the village map.

Hope you have a great time and a successful sale!

**TUESDAY, AUGUST 21, 2018**
